**Re: New Millennium Political Action Committee  
FEC Identification #C00349233**

Dear Mr. Maxwell:

This is in response to your letter dated November 1, 2000 concerning the July Quarterly Report (4/1/2000-6/30/2000) of the above-referenced Committee.

You inquire about a contribution made by the Committee to a federal candidate. Please note that the \$2,000 contribution was designated to both the primary and the general on the face of the check. The enclosed amendment correctly designates the contribution.

Concerning the issue of the Column B calculations, the Committee told you when it filed its pre-general report that it had noticed certain discrepancies in the figures appearing on the Cover Pages and the Detailed Summary Pages of its reports due to a problem with its Aristotle software. The Committee has resolved the software problem and is filing amendments correcting the summary figures. The enclosed amendment corrects the figures on the July Quarterly Report.

The enclosed amendment also clarifies the political committee names that you mention and adds the House designation to contributions made to Congressional candidates.

Finally, you ask about the Committee's administrative expenses. Please note that in the first half of this year, the Committee did not rent office space or have a paid staff. During the second half of the year, however, the Committee had more administrative expenses and hired our firm to assist in its management.
